Purpose

To ensure that Council's plant and machinery continues to operate in a safe and efficient manner so as not to cause delays due to breakdowns etc whilst being used for undertaking infrastructure works.

Principles

Council currently operates several "costed" plant categories, including heavy machinery, vehicles (trucks, utes) and equipment to support road maintenance and construction, parks and gardens, street sweeping, sign maintenance & drainage works.

The following replacement standards are to be followed when replacing plant and machinery:

- Replacement for graders / loaders – 10,000hrs minimum;
- Permanent Water Truck, Street Sweeper and Paveline Patching Truck – to be replaced in accordance with industry standard hrs/km's;
- Vehicles / utes/small trucks – 10 years or 100,000km;
- Mowers – 3 years or 2000hrs
- Supervisor's Vehicles/utes – 6 years
- Tandem Trucks – 300,000km
